The major aim of our visiting will be,

1. To learn some information about the Environmental taxation and how to shift the tax burden in favour of environmentally related taxation at your side.
2. To exchange experiences with your side about how China to impose green tax on heavy polluters and local environmental protection tax in China.
3. To inquire about the cooperative possibilities between you and us if it possible.

It is to your understanding that all the expenses during your staying in the Czech Republic will be covered by your Chinese people.

Looking forward to seeing you in the Czech Republic.

Ing. Karel Otava

Mayor of Lysá nad Labem
